## Meyer's - History

It all started back in the late 1800s when Henry Meyer immigrated from Germany to the United States, bringing the recipe for his delicious sausage with him.

Then, around 1915, Henry taught his son, Rudolf Karl George (R.G.) Meyer, the secrets of his mouth watering sausage. Soon, R.G. was the hit of his friends, making up big batches of sausage for them every chance he got. With some prodding from his friends, R.G. was persuaded to start marketing the tasty sausage, and founded Meyer's Sausage Company in 1949. The sausage was made without any fancy preservatives, and was smoked in a little smokehouse right on the Meyer's property. R.G. had great success selling his product locally, and began selling it to Austin and other Central Texas communities.

In 1959, R.G.'s son, F. W. (Buddy) Meyer, took over his father's company, and carried on the "old world sausage" tradition with its unique coarse ground product. Buddy continued to build the family business, and Meyer's sausage became legendary throughout the State of Texas. Buddy stuck firmly to his family's commitment to quality, and the company continued to grow.

Gregg and Gary Meyer now represent the fourth generation of sausage makers to carry on the family tradition. With the reputation of Meyer's high quality products, starting a restaurant was a natural extension for the family. So in 1998, Meyer's Elgin Smokehouse BBQ Restaurant and Retail Market was opened.

At Meyer's Elgin Smokehouse and Retail Market, the family offers customers a variety of products including their locally produced famous Elgin sausage, available in seven hickory-smoked flavors (original, garlic, sage, hot, beef, tejano, jalapeno and cheese), authentic Texas barbecue, BBQ sauces and seasonings, as well as hats, t-shirts, handdipped Blue Bell and other fun stuff.

Meyer's products are sold in grocery stores throughout the Central Texas area and can be shipped nationwide to retail and wholesale customers at [www.meyerselginsausage.com](http://www.meyerselginsausage.com) or by calling 1-800-MRS-OINK.

## Fun Fact

The location of the restaurant has historical significance because it sits on Gregg and Gary's fourth great grandmother's original Mexican land grant, which she received when she traveled to Texas with Stephen F. Austin.
